Income multiples and affordability

Our affordability calculator is available on our website - www.thetipton.co.uk.

Once affordability is satisfied, we apply a 4.5 times income multiple to determine the maximum level of borrowing.

To verify if your clients meet affordability criteria, contact a member of the team directly.

Mortgage packaging

Before you submit an application it's always beneficial to complete a decision in principle (DIP) application form first. You can access our online form from our website.

On receipt of a DIP, a member of our team will advise whether or not we can assist, and if so, how much your clients are able to borrow. We aim to respond to all DIPs within 24 hours.

To help us reduce the time it takes to issue your clients with their mortgage offer, the following items are required as standard for all new mortgage applications:

- certified proof of identification and proof of address;
- their last three months, salary fed, bank statements;
- their last three months payslips and most recent P60;
- their last three years accounts if they are self-employed; and
- proof of deposit.

We aim to issue a mortgage offer within 14 working days of receipt of a fully packaged mortgage application.
